#### PRAY FOR THE PERSECUTED CHURCH:

China’s revised religious laws have gone into effect this month with the intent of reducing the number of “extreme” groups. The result has been requiring all groups to register, no children are allowed to attend religious classes, heavy fines are imposed on leaders and landlords that lease space to unregistered groups, etc. It’s too soon to know how this will play out with Bible-believing churches and groups, but it is already being implemented harshly in west China among the Uyghur (largely Muslim) people group where 10’s of thousands of this minority have been sent to re-education camps while their children are sent to over-crowded orphanages.
