I cast all my cares upon You. I lay all of my burdens down at Your feet. And any time that I don't know what to do, I will cast all my cares upon You.

*“And let us consider one another in order to stir up love and good works”
(Hebrews 10:24)*

As we organize to start AWANA this Fall... since we'll be having it on Sunday evening during our Evening Service, we will **need Sun. PM nursery workers** for the children of the AWANA workers. If you are able to help out, please say something to Elyse Richard (or Pastor). Thank you!

“It is not the bee's touching of the flower which gathers honey, but her abiding for a time upon the flower which draws out the sweet. Just so, it is not he who *reads* most, but he who *meditates* most—who will prove to be the choicest, sweetest, wisest and strongest Christian!”

– **Thomas Brooks** (1608-1680)

FAITH FOCUS ON PRAYER (“pray without ceasing...” - I Thess. 5:17):

- 1) To consider one another in order to stir up love and good works
- 2) Pray for the persecuted church throughout the world – **In the Central African Republic**, almost five years after being forced to abandon their home, a pastor and his family are still unable to return. Pastor Pamphile, who had served in the capital city of Bangui since 1990, was forced to flee with his family after angry Muslims began to intimidate his congregation and disrupt services. They wanted to build a mosque nearby but didn't want it next to a church. In 2013, a group of Muslims armed with machetes surrounded the pastor's house, and he could hear them discussing whether to kill him or just destroy the church. After the group left, he and his family grabbed what they could and fled. Days later, he learned that both his house and the church had been destroyed. Muslims have since driven out the entire Christian community.
- 3) Our country: revival; believers being salt and light
- 4) For the first responders of our community
- 5) For our young families with babies and young children
- 6) George Glasow & Jim Todd - encouragement
- 7) Wisdom as we transition to AWANA
- 8) Lloyd McKee - cancer in spine causing challenges
- 9) Laura Miller - recently diagnosed with a neuromuscular disease causing weakness, pain and fatigue
