Service Opportunities*:

Open Door Mission – Clubbers will bring in supplies for the Open Door Mission.

Christmas Card Making and Caroling – Clubbers will make Christmas cards during game time and pass them out while Christmas caroling the following week.

*Service opportunities are subject to change and more opportunities may be added throughout the year so stay tuned!

Theme Nights*:

Pet Night – Bring your favorite stuffed animal for show and tell.

Hat Night – Wear your favorite hat to club.

Light Night – Hey! Who turned the lights out? Plan to be ... in the DARK (somewhat – not completely, for safety's sake). All clubbers will be provided a glow-stick and have fun light-related games.

Costume Night – Come in your favorite costume. Let your imagination go wild and become any animal, insect, super hero, princess, or TV/cartoon/ movie character. Must be family friendly/church appropriate – nothing gross or scary.

Clashy/Tacky Night – Make sure your clothes don't match on this night – plaids with stripes are in.

Donut Wars / Donut Night – Clubs compete to complete the most handbook sections. Whichever group completes the most will win a donut party the following week.

Silly Night – Dress silly and play silly games.

Double Points Night – All points that clubbers earn that week will be doubled.

Crazy Hair Night – Any crazy style is welcomed here. Even washable hair spray paint can be a nice added touch.

Pajama Night – Wear your comfy PJs. Bring slippers if you want to feel extra cozy.

Movie Night – Clubbers will snack on popcorn and watch a beloved Veggie Tale episode during lesson and game time.

SdrawkcaB Thgin (Backwards Night) – Come with your clothes on backwards and expect many surprises throughout the night. Dluohs eb stol fo nuf!

*Themes are subject to change and more themes may be added throughout the year so stay tuned!
