Children's Church workers needed for November, February, March, and more.

The boiler is on for the winter. To be sure the heating zones work efficiently, we close interior doors as we leave.

Food Allergies: Please be aware re: recognizing potential food allergies. Ellie Bellandi is allergic to tree nuts and peanuts. It is helpful to label foods that may contain allergens so people can make wise choices (dairy, sour cream & cream cheese are foods to which others in our church family are allergic).
