FAITH FOCUS ON PRAYER ("pray without ceasing..." - I Thess. 5:17):

- 1) To consider one another to stir up love and good works
- 2) Pray for the persecuted church in **India** — A significant increase in attacks on Christians is part of a planned campaign by Hindu nationalist leaders in the Indian state of Uttar Pradesh. Every day, four or five churches are attacked and the number of arrests of Christians is unprecedented. In addition, the offices of some Christian organizations have been attacked. These are the result of rapid church growth in the region. House churches have grown dramatically. Thousands of members come together each week. "The church has become too big to ignore," one leader said. (from www.persecution.com)
- 3) For our country: revival; believers being salt and light
- 4) For the first responders of our community
- 5) For our young families with babies and young children
- 6) George Glasow & Jim Todd - encouragement
- 7) Laura Miller - neuromuscular disease; Don Jones - vertigo
- 8) Brad's mom (Kathleen) - recovering from surgery
- 9) Ed Frattare - in chemo treatment regimen
- 10) Elyse's dad (Warren Howard) - has cancer in his bladder, the type and treatment is yet to be determined
- 11) Esther Railsback recovering from shoulder surgery
